Inspiring Young Musicians

## Support Us

**Sheffield Music Academy** exists to inspire excellence and provide specialist training for young people aged 4-19yrs with outstanding musical ability, dedication and potential across the Sheffield City Region and surrounding areas. Our world-class tutors travel from across the country to Birkdale School every week to work with our inspiring young musicians, providing a tailored and comprehensive curriculum.

We are a small charity with ambitious aspirations to support the next generation of musicians in achieving their full potential. Any donation, big or small, will help us fund and support more than 120 exceptional and passionate students. Donations enable us to purchase music and provide instruments, and organise workshops and concerts with community partners to reach as many individuals as possible and remove barriers to learning and music-making. **Visit our Donate page to find out more about how you can support us: [www.sheffieldmusicacademy.org/support-us](http://www.sheffieldmusicacademy.org/support-us)**

**Thank you** to all staff, students, & parents for their continued dedication and support for the Academy. Stay up to date with our concerts and events on our What's On page: [www.sheffieldmusicacademy.org/whats-on](http://www.sheffieldmusicacademy.org/whats-on)

### What's On Next at Sheffield Music Academy!

We will be returning to Sheffield Cathedral for our final concert of the season, our Summer Spectacular! With items such as Handel's Coronation Anthems, this will be a triumphant showcase of our students' talent.

**Summer Spectacular**  
**Saturday 15th July 2023**  
Sheffield Cathedral, Church Street,  
Sheffield S1 1HA

Timings and programme details will be confirmed nearer the date. Sheffield Cathedral is a fully accessible venue.

Follow us on social media, Eventbrite, and our mailing list to be notified when tickets go live!
